Woodall Public Schools

Mrs. Knight - Principal

## A note from the Principal

Spring is in the air! We are already entering our last nine weeks of school. If you have questions or concerns about your child's grades, do not hesitate to contact the teacher to set up a meeting.

On April 21st, we will start administering the OSTP testing to students in grades 3rd-8th. Both teachers and students are busy preparing.

If you have outstanding charges for meals, books, technology, etc. please come by our administration office and take care of the charges as soon as possible.

Remember, if you have any questions, concerns, or good news, please call or come by my office.

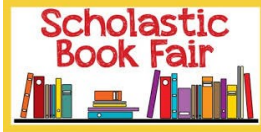

Have a great March!

*-Mrs. Knight*
