

MATERNITY LEAVE (REGULATIONS)

The board of education shall provide maternity leave to all full-time employees of the school district who have been employed by the school district for at least one year and have worked for the school district for at least one thousand two hundred fifty (1,250) hours during the preceding twelve-month period. Eligible employees shall be entitled to six (6) weeks of paid maternity leave following the birth or adoption of the employee's child, provided that the child is under four (4) years of age. The six (6) weeks of maternity leave shall be immediately following the birth or adoption of the school district employee's child.

Employees who qualify for state paid-maternity leave are entitled to extend the duration of their maternity leave beyond the six (6) weeks provided by this policy if they have sufficient sick leave available to cover the extended duration. Such sick leave may be used for recovery from childbirth, bonding with a newborn, or caring for a newborn. Extended sick leave shall not exceed six (6) weeks unless a licensed medical professional provides written certification recommending additional leave for medical necessity related to the employee's recovery from childbirth or for the care of the newborn to achieve a combined twelve (12) weeks of leave as addressed in the Family Medical Leave Act (FMLA). FMLA leave shall run concurrently with maternity leave and the paid sick leave extended duration.

Any employee who intends to utilize available sick leave to extend the duration of maternity leave must notify the administration of the school district.
